In our signature style of laid back yet polished tastings, guests of all knowledge levels will leave feeling more self-assured ordering wine at restaurants, buying bottles, and pairing to foods.

Tastings are customized to you, but popular themes to consider include:

- **Wine Foundations** – a look at the fundamentals to tasting wine
- **Ontario Wine Discovery** – explore wines from your own backyard! A fascinating tasting for visitors from outside Ontario, as well as perfect reintroduction for locals, taste through Ontario leading varietals and celebrate home-grown excellence!
- **Sparkling Wine Exploration** – Perfect for celebrating those momentous occasions! Learn the difference between Champagne, Prosecco, Cava and sparkling wines of the world in this fun and fascinating tasting.
